

What a load of rubbish!

The allocation of tabards, high viz jackets, pickers & bin liners

The rubbish collected by the village volunteers on Saturday was a record haul. Thank you.

The photographs tell it all - mattresses, TVs, settees, chairs, tyres and even an old garden shed had been dumped on our village roads. It is a disgrace.

Due to the cold and damp weather, it was not a great turnout this year and so not all areas were able to be tidied up and cleared of rubbish.

Please do keep the area in front of your home clear of rubbish on a regular basis.

We are proud of our village.
