

## **Proposed Housing Development in Hurst**

**Regis Homes** have acquired an interest in land off **Lodge Road**

They are proposing the delivery of a small high quality open market and affordable homes

### **Have your say !**

A public exhibition to view, discuss and comment on the draft plans with the Developers will be held on –

**Friday, 18th December in the Village Hall between 4.00pm - 8.00pm**

*This is a major housing development proposal in the heart of the village*

It is very early stages of the process; this is a tester to gauge local opinion. The proposed site falls outside the village envelope, which means they would have to prove need/no detrimental harm/impact to the countryside ( policy CP11)

*Please, please visit the exhibition and voice your concerns /opinions and share and encourage your friends to do the same*

**Further information available from Regis Homes:**

Mike Denness. Tel: 08001488911 E-mail: [info@meetingplacecommunications.com](mailto:info@meetingplacecommunications.com)

### **Hurst Bowling Club**

## **Quiz Night**
