HEATHROW AIRPORT - **3rd RUNWAY PROPOSALS**

More flights could come over Hurst – would that concern you?

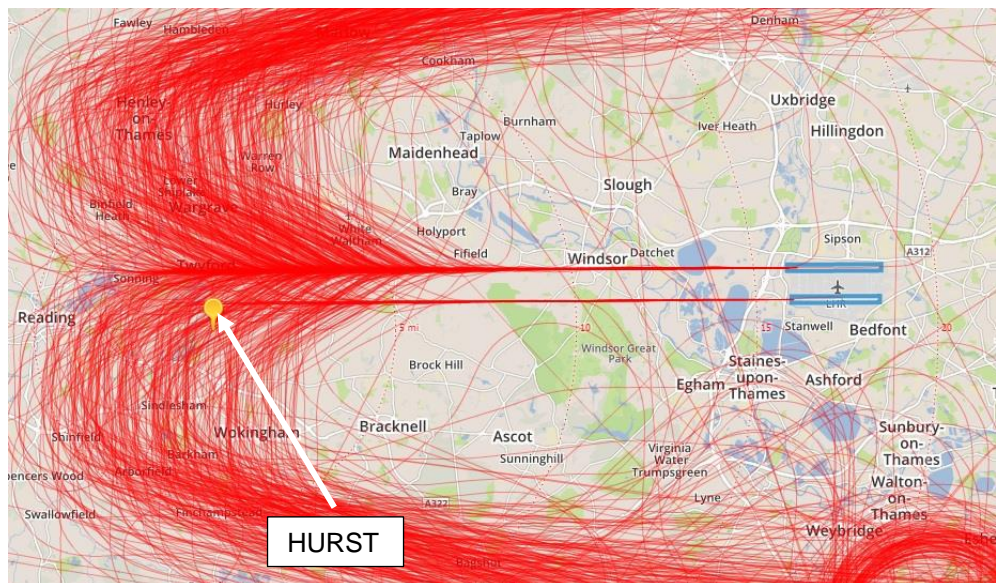

You should have received an A5 leaflet in the post giving limited details of the consultations between 17th January and 28th March 2018.

Heathrow may be 26 miles away from Hurst but the proposed expansion of flights from 470,000 to 740,000 may throw up questions, particularly of noise, for our area.

Heathrow has not released the information about future flight path options, but this is something Hurst will need to be aware of.

A chart of an average day of the sky above Hurst (with only two runways) is below. What will it be like with three runways?

It is claimed the expansion would bring economic benefits for passengers and the wider economy worth up to £61 billion. Up to 77,000 additional jobs could be created over the next 14 years and the airport has committed to create 5000 apprenticeships

Try and attend one of the venues below to hear proposals and how it may affect you.

Ascot: Ascot Racecourse, High Street. SL5 7JX on the **31st January**

Bracknell: The Grange Hotel, Charles Square. RG12 1DF **1st February.**

Windsor: Youth & Community Centre, Alma Road Windsor, SL4 3HD **2nd February.**

Maidenhead: SportsAble, Braywick Sports Ground. SL6 1BN **8th February.**

All the above meetings will be held from 12 noon – 8.00pm

Many people are “for” a third runway and many are “against” - **where do you stand ?**

Attend one of the above meetings to help you decide.

You can then have your say and Parliament will vote later **this year.**
