Dear Chairman, and other Members of Hurst Parish Council

Re; The Queen's Platinum Jubilee Celebrations

Thank you so very much indeed for organising, facilitating and enabling all the many events around the village, that took place over the last few days, which gave the opportunity to so many local residents and many other people from further afield to come together and celebrate Her Majesty's Platinum Jubilee in such a wonderful atmosphere. Everybody who attended any of the events clearly enjoyed themselves enormously, and this was due in no small way to the tremendous hard work of your team both in advance and during the events and also of course clearing up afterwards, thank you.

Hopefully, copies of some of the many photographs that were taken and any other associated memorabilia will find their way into the Village Archives so that a permanent record of such an incredible occasion can be kept as a permanent record for generations to come in the same way that previous such events have been, and if you are able to offer any assistance in doing this, it would be most welcome.

Yours faithfully,

The Hurst Village Society Committee
