Planning - Sawpit Road, Granted

Appeal Decision, Ref: #211532

HVS formally objected to this application when it was submitted to Wokingham Borough Council (WBC) and reiterated those objections to the Planning Inspectorate after an Appeal had been lodged.

However, the decision of the Planning Inspector, dated 4th August 2022 is that "The appeal is allowed and planning permission is granted", in accordance with the terms of planning application ref:211532, and subject to a schedule of conditions imposed by the Inspector.

The full Appeal Decision can be accessed on the HVS website homepage, www.HVS.org.uk, and it is strongly recommended that local residents read this in full in order to at least be fully aware, even if you don't necessarily agree with the reasons for the Inspector's decision. The full appeal decision can be accessed [here](#).

View the HVS statement about the decision [here](#) as well as a short summary of the key points.

Should you wish to contact HVS about this, please email planning@hvs.org.uk

Wokingham Borough Council Local Cycling and Walking Infrastructure Plan

WBC have recently launched a consultation on their Local Cycling and Walking Infrastructure Plan (LCWIP).

The infrastructure improvements section in particular has suggestions that would be of interest to the residents of Hurst. On the map if you click on Twyford you can see the proposals for Hurst. The Winnersh section also contains proposals for Davis Street,

HVS recommends that Hurst residents look at the proposals and give their feedback [here](#).

**The site will remain open for comments until Friday
19 August.**

This is a great reference book for future generations of Hurst residents
